

2025 Grant Cycle (January 1 - December 31, 2025)

Community Cultural Participation Grant Requirements

For nonprofit organizations

Cultural Coalition of Washington County Mission Statement:

The Cultural Coalition of Washington County (CCWC) is the re-granting board of the Oregon Cultural Trust in Washington County. The CCWC also promotes the cultural identity, quality of life and economic vitality of Washington County and its arts, heritage, and humanities organizations.

Application period opens September 18, 2024 and closes at 11:59 PM PT on October 21, 2024. Award Notifications will be provided by mid-January 2025.

Funds will be issued early February 2025. *Note: Organizations with January 2025 projects may need to be prepared to cover costs until grant funds are distributed.*

Final reports should be submitted through your organization's account in our grant portal. Final reports for 2025 grants may be submitted anytime but will be due no later than January 15, 2026. This is a hard deadline. Failure to submit a final report by the deadline may make your organization ineligible to apply again in future cycles.

Grant Requirements:

The Community Cultural Participation (CCP) Grant Program provides financial support for Washington County nonprofit **arts, heritage, and humanities** organizations and activities.

Applicants can apply for activities or opportunities that address one or more of these five goals:

1. **Public Awareness and Participation-** Build community through communication, audience development, and engagement.

2. **Support Cultural Organizations-** Increase capacity, encourage professional development, and support adaptability.
3. **Increase Public Art and Performance Opportunities-** Foster more impactful art, events, and cultural connections with increased accessibility for all.
4. **Support Diverse Cultural and Heritage Activities-** Include cultural learning and cultural equity at the heart of our creative community.
5. **Increasing Access to Arts Education-** Serve school-based arts and cultural opportunities and build arts awareness for youth, while encouraging life-long learning.

A strong grant application will explain how the grant addresses priorities of:

- promoting cultural diversity
- developing community and/or cross-cultural partnerships
- providing matching-fund or cost-sharing opportunities
- promoting cultural tourism
- presenting events that are open to the public

Please visit the [CCWC website](#) for more information about the Cultural Plan. Proposals in the CCP Grant Program should be geared toward a specific event, activity, or communication of the organization.

Examples of successful CCP Grant Proposals include:

- Expenses for events and activities **accessible to the public**: festivals, performances, workshops, lectures, conferences, exhibits, open studio tours and other activities which will clearly help enrich cultural participation within the county.
- General promotional material that focuses on one or more of the previously mentioned five priorities.
- Applicants **must demonstrate** a clear distribution and/or marketing plan in proposals for promotional materials. (Promotional materials include the development of websites.)
- Create and implement a cultural learning program.
- Performances, demonstrations, or exhibitions in schools.
- Cross-cultural partnerships and collaborations, including work with the Washington County Visitors Association, or support for cultural tourism events or activities.

Funding for CCP grants comes from the Oregon Cultural Trust (OCT): the number of CCP grants awarded will depend on the funds available in the CCP Grant budget for that year.
